REGULATIONS FOR ORGANIC MATERIAL DROP OFF

TOWN OF BIG FLATS
Department of Public Works
Phone: (607) 562-8443 Ext. 224

CAUTION: Camera in use, you are being monitored and recorded at all times at this facility.

The TOWN accepts CLEAN organic materials such as grass and leaves ONLY.

NO PLASTIC BAGS, DO NOT DUMP PLASTIC BAGS

We are happy to serve our community, this is NOT a garbage dumpster!

We have a very strict policy of not accepting anything that is not 100% organic.

There are NO EXCEPTIONS to this rule.

Items strictly prohibited include, but are NOT limited to; trees, limbs, stumps, hardware attached to wood, papers, plastic, glass, bottles, bricks, wire, masonry, appliances, tools, landscaping cloth, tires, containers, railroad ties, paper products and food scraps, etc.

The choice is YOURS--Once you have pulled away from the dumpster and have deposited anything other than organic materials, YOU have made the decision to have us charge YOU a fee. You will not have the opportunity to go back and sort materials, pick up garbage or return to drop off organic material again.
