

Pre-R.E.E.A.C.T.TM

And Prepare For An Active Shooter!

Without Hesitation, What Would You Do In The Event Somebody Started Shooting People Around You?

Pre-R.E.E.A.C.T. is a program that explains simply, why you need to prepare to respond to an active shooter, the actions that you need to take, and how to prepare ahead of time so that you WILL react immediately, increasing your odds of surviving an active shooter crisis.

Class Date: Thursday, March 10, 2016

Time: 6:00 pm

**Location: Big Flats Community Center , 476 Maple St., Big Flats, NY 14814
607 562-8443 ext 303**

Fee: No Cost

Topics Covered:

Part I

- Developing the personal motivation to survive
- Why YOU need to take action
- Planning when and how to escape, hide, or counter-attack
- The *one thing* that you need to do during a counter attack

Part II

- The need for immediate aid for yourself and others following an active shooter incident
- Hands only CPR
- Treating the top two causes of *preventable* death from gunshot wounds

ABOUT THE INSTRUCTORS 

Presented by Critical Abilities Development LLC In Conjunction With EMSTAR

About The Instructors

Tom Huffman

Retired from the NY State Police after more than 21 years of service. During his time with the NYSP, Tom was a member of the Mobile Response Team (SWAT) and was the Team Leader responsible for their operations in Western New York. He was trained, and has trained others, to respond to an active shooter not only as a road trooper, but as a tactical team member, and as a school resource officer. After retirement, Tom continued his service as a School Resource Officer with Steuben and Chemung County sheriff's departments. Currently, Tom is as a police firearms instructor, an adjunct instructor for the Southern Tier Law Enforcement Academy, and is certified through USA Weightlifting as a Sports Performance Coach.

Vanessa Jewett

Vanessa is the Director of Education at EMSTAR in Elmira NY. EMSTAR provides First Aid and CPR training to the public and is responsible for training paramedics, Emergency Medical Technicians, and law enforcement officers.
